***NOTE ABOUT THE SUPPRESSION
OF THE GERMAN PRO-PROVINCE***

Following the dispersion of the monks of Siegburg in 2011, the German Pro-Province was suppressed, and the monks of Siegburg and of Kornelimuenster were placed under the direct jurisdiction of the Abbot President. However, in September 2011, Kornelimuenster was received into an experimental association with the English Province until the next English Provincial Chapter (2014). A special statute governs the relationship between Kornelimuenster and the Province.

The Council of Visitors meets twice a year. In 2012 the meetings will be:

- 8th – 12th May 2012: S. Martino delle Scale, Sicily
- November 2012: To be arranged

The Subiaco Solidarity Fund

A fund has been set up to encourage a sharing of resources between different houses of the Congregation, particularly to financially assist projects of our monasteries in Africa, Asia and Latin America.

Disbursements are made on the recommendation of the Council of Visitors. Initial applications should be made to the Procurator General at the Curia.

Advisor to the Council for SSF : Abbot Joël Chauvelot (*Tournay*).
