2. FERNHAM--Community of our Lady of the Angels

The community ceased the common life in 2002, and the sisters were dispersed. But, by decision of the Holy See, the juridical entity of the priory will continue until the death of the last member. The sisters live in different religious houses under the care of the Abbot Visitor of the English Province and directly under the Superior appointed by the Congregation for Institutes of Consecrated Life and Societies of Apostolic Life.

Founded at Montargis in France in 1630, from the royal abbey of Montmartre. Moved to England in 1792. Settled at Princethorpe in 1835 and moved to Fernham in 1966.
